

To Complete an Online Application for New or Renewal Asbestos License for Individuals You will need:

- Credit Card: VISA, MASTERCARD, AMERICAN EXPRESS, DISCOVER

In addition to the online application and fee you must provide the following documents before your license will be issued:

- For first time applicants: Submit copies of your initial training certificate plus all refresher training certificates. If you do not have your initial training certificate, you may substitute a copy of an asbestos license issued by another state plus your current training certificate.
- For license renewals: Submit all training certificates obtained since the last license issued by the State of West Virginia. (If your license has been expired for two years or more, you need to submit a training certificate for each of those years.)
- Applications for Air Clearance Monitor must be accompanied by a training certificate for a West Virginia approved training course.
- Training certificates issued by the state of Indiana will not be accepted. Indiana residents must have training that has been approved both in Indiana and Illinois or completed in another state.
- Both pages of the application must be completed and signed.
