

2009 Walks for Women

The WV Breast and Cervical Cancer Screening Program would like to thank all volunteers who helped make this October's Breast Cancer Awareness Month a success. Twenty Walks for Women were held statewide this year. As of February 2010, volunteers raised a total of \$104,796 in donations, with more coming in daily. An update on this figure will be posted next month. Every dollar raised benefits the West Virginia Breast and Cervical Cancer Diagnostic and Treatment Fund.

If you would like to plan a Walk for Women in your area during October 2010, contact your local WVBCCSF Cancer Information Specialist or call the Program's Education Coordinator at (304) 293-2370.
