

TRAINING

Transition Planning from High School to Adulthood

- *Have you and your school system started transition planning for life after high school for your 16-year-old?*
- *Does your student plan to further his or her education or enter the workforce?*
- *Will your adult child need assistance to live independently after high school?*

West Virginia Advocates (WVA), the protection and advocacy agency for people with disabilities in West Virginia, is pleased to offer a free training that will include:

- Transition planning and the IEP
- Information and discussion about adult services available
Resource information packets will be provided.

To Register: Contact West Virginia Advocates at 1-800-950-5250.
