

COMING TOGETHER AROUND MILITARY FAMILIES®

DUTY TO CARE!

SUPPORTING YOUNG CHILDREN THROUGH CHALLENGING TIMES

This training will provide opportunities to gain an understanding of the following topics in the context of military families:

- Core needs of infants and toddlers •
- Impact of stress and trauma on very young children •
 - Resiliency in families •
- Collaborating with military and civilian agencies •
 - Professional self-care •

Healthcare, Early Childhood Education, Family Support and Mental Health professionals supporting military families are invited.
